Flying in Defiance of the Reich: A Lancaster Pilot’s Rites of Passage

His memories of the many raids, his crew and operational flying during this period until the end of the war are gripping recounted in Flying in Defiance of the Reich. After the German surrender, Peter headed for the Far East, joining Shield Force which was tasked with conducting a strategic night bombing offensive against the Japanese mainland.

Votan is the collective name for the alien species that invaded Earth in Arks. In the town of Defiance, the highest proportion of Votan is Castithans. Relationships between the various Votan races differ greatly: Irathients and Castithans loathe each other, but Irathients get on well with Liberata and Sensoths, and have no strong opinion of Indogenes. Castithans get along with Liberata and...

The Defiance line was made by Stanley, the Defiance line is the only plane I know of that had this “folded wing” style lateral. That and if the knob and tote profile matches (flat side, reddish stain, etc) and the frog matches, its a pretty good assumption it was made by Stanley in the Defiance line.
