**Stop Faffin' about Don Eejit 2021-09-06 Irish A/Z Phrase Book of Slang Words**

Slanguage Bernard Share 2005 Are you a holy terror? Are you a go-boy? Could you live on the skin of a rasher? Or are you so hungry that you eat a farmer's arse through a hedge? When you're on the razz, do you get so buckled, crippled and scuttered that you can't get your back outa the scratcher in the morning? Never mind the answers: if you understand the questions you are in Slanguage country. If you don't, you need to be. This is the dictionary that glosses the words that real Irish people use in the streets each day, every day. Slang is elusive. Some words and phrases are always there. Others slip in and out of usage according to the whims of fashion. This expanded edition of the standard dictionary of Irish slang includes many entries not in the 1997 edition. It has dropped a few that have fallen out of favour and has revised others. In all, this edition is 25 per cent longer than its predecessor. It will confirm Bernard Share's invaluable book in its position as the major work of its kind, combining scholarship and a keen sense of fun. "Slanguage" does justice to it by taking it seriously, but not too seriously.

*A Massive Book Full of FECKIN' IRISH SLANG that's Great Craic for Any Shower of Savages* Colin Murphy 2016-09-26 The deadliest ever dictionary of Irish slang! Can you tell your cute hoors from your chancers, or your gougers from your gurriers? Do you know a slapper, a snapper, a shaper or a sleeveen when you see one? No? Well, that's coola boola, because we've put together the most massive, mighty and manky collection of Irish slang in history, or at least in donkey's years. So stop acting the maggot and give it a lash! 'Side-splitting ... Irish Slang's the business!' The Sun

*Words.We.Use* Diarmaid Ó Muirthe 2006-10-31 Diarmaid Ó Muirthe's column Words We Use was a feature of The Irish Times for many years. This collection of his most memorable contributions, by turns witty and sympathetic, wears its prodigious learning lightly and is sure to delight those captivated by the power of language to shape the world around us. Drawing on the author's nearly inexhaustible knowledge of languages, their mechanics and idiosyncrasies, Words We Use has sections covering everything from Magic and Shakespeare to Computers and Text Messaging. It will change the way you think about language forever.

*The American Slang Dictionary* James Maitland 2019-11 The American Slang Dictionary by James Maitland (1891) is an enjoyable artifact from the middle of the 19th century- offering a glimpse into the language that was used by the people. ""This work, therefore, while aiming to present a full list of distinctively American slang, -that which is born of the soil will include also the recognized slang words and phrases of english origin and use. No such collection has heretofore been made"" - James Maitland

*Mind the Gap.2* Geoffrey W. Sutton 2022-04-18 This second edition of Mind the Gap... Between British & American Language & Culture contains chapters on British culture and an expanded A to Z reference list of hundreds of words and expressions that you will hear when visiting the UK, watching British movies and television programs, or reading British literature. In this book, I've included a variety of words and phrases that will help Americans who love Britain enjoy it even more. Even if you have never visited the UK, I hope you enjoy British films, TV, and books more than ever after discovering a bit of British culture and humor hidden in odd words and phrases. If you are seeking a more dictionary type of book, you'll find that too. I've included such practical words and phrases covering foods, clothes, travel, and even the size of British paper you will need for your printer. So, you'll be equipped to purchase aubergines, order a gammon steak or a bap, understand an old reference to a blower, locate an Aga, and what to offer when asked if you have a biro. You won't want to see an identity parade and you'll know what a Londoner means by "innit." And importantly, I hope you will avoid repeating some highly insulting phrases when someone is out of their tree.

*Let's Get Shamrocked!!! Irish Slang Coloring Book* Kristina Aldsworth 2021-03-07 A funny Irish slang words St. Patrick's Day coloring book for adults, Irish swearing and cursing, a great way to distress, have a giggle and celebrate St. Paddy's! *Urban Dictionary* urbandictionary.com 2005-10-01 Urbandictionary.com--bearing the slogan "Define Your World"--serves more than 1.5 million visitors each month. Perfect for those who want to pick up some new slang and those who want to translate it, Urban Dictionary is a gritty and witty look at our ever-changing language. Urbandictionary.com is a wildly successful site that encourages users to define the world with their own unique terms. In Urban Dictionary, site founder Aaron Peckham culls his more than 170,000 definitions for the funniest, and most provocative phrases that define the modern slang scene. Within urbandictionary.com's lively lexicon are: \* business provocative--Attire used to provoke sexual attention in the workplace. \* communicate--To chat with someone in the same room via instant messaging service instead of in person. \* dandruff--A person who "flakes out" and ditches their friends. \* wingman--A guy who takes one for the team by hooking up with a hot girl's ugly friend so his own friend can hook up with the hot girl. Perfect for those who want to pick up some new slang and those who want to translate it, Urban Dictionary is a gritty and witty look at our ever-changing language. Urban Dictionary covers the language that encompasses the trials and tribulations that anyone under 30 encounters--and leaves everyone over 30 scratching their heads but wanting to know more.

*How the Irish Invented Slang* Daniel Cassidy 2007 Paddy's revenge!

*The Stories of Slang* Jonathon Green 2017-10-05 'By turns bawdy, swearsy and irreverent, this book . . . is a fascinating look at how centuries of slang came to inform all aspects of social life, how it was used, and how much of it still lingers.' History Revealed Like the flesh-and-blood humans whose uncensored emotions it represents, slang's obsessions are sex, the body and its functions, and intoxication: drink and drugs. Slang does not do kind. It's about hatreds - both intimate and and national - about the insults that follow on, the sneers and the put-downs. Caring, sharing and compassion? Not at this address. There are over 10,000 terms focusing on sex, but love? Not one. Jonathon Green, aka 'Mr Slang', has drawn on the 600,000-plus citations that make up his magisterial Green's Dictionary of Slang (published 2010, now online at www.greensdictofslang.com) to tell some of slang's most entertaining stories. Categories range from The Body to Pulp Diction, via multi-cultural London English and pun-tastic gems. Mostly gazing up from the gutter, slang, perhaps surprisingly, also embraces the stars. These stories may look at drunken sailors, dubious doctors, and a shelf of dangerously potent cocktails, but slang does class acts as well. None more so than Shakespeare. Devotee of the double entendre, master of the pun, first to put nearly 300 slang terms in print. 'Shakespeare, uses, at my count, just over five hundred "slang" terms, of which 277 are currently the first recorded use of a given term. Among these are the beast with two backs, every mother's son, fat-headed, heifer (for woman), pickers and stealers (hands), small beer (insignificant matters), what the dickens, and many more.' <http://jonathongreen.co.uk>

*The Book of Feckin' Irish Slang That's Great Craic for Cute Hoors and Bowsies* Colin Murphy 2019-12-09 The almost incomprehensible wit and wonder of Irish slang words. Can you tell your bowsies from your gougers from your gurriers? No? Well, it's time to stop acting the maggot and find out, courtesy of this invaluable reference book that's been donkey's years in the making (only coddin').

**A-Z of Irish Names for Children and Their Meanings** Diarmaid O Muirthe 2007-03-06 Including over four hundred beautiful, original and unusual Irish names, Diarmaid Ó Muirthe's brilliant reference book provides the origin, historical and cultural background of practically every Irish name you have ever come across and many you have not! Peppered with witty snippets of information in Diarmaid Ó Muirthe's unique style, The A-Z of Irish Names for Children is the perfect guide to naming your child. In Ireland we have a wonderful selection of names to choose from. We have our own Irish versions of biblical names, the names of the Evangelists and of continental saints who have taken our fancy at various stages in our history. The Vikings left us some of their personal names, which either in their Irish or their Anglicised forms have proved to be as hardy a growth as those names given to us by the Anglo-Normans. Lots of them are included in this charming and informative book. And, of course, we have the great repository of the old Irish tradition from which to choose our children's names. From Aaron to Úna, Diarmaid Ó Muirthe provides a gloss on more than four hundred Irish forenames in his inimitable style that mixes scholarship and wit with quirky and entertaining facts and stories. Thus, we learn that the name Art has nothing to do with Arthur; that Brendan is originally of Welsh origin and came to Ireland in a Latinised form; that Cathal is usually translated as Charles, although there is no historical connection between the two; and much more. As with all Diarmaid Ó Muirthe's work, The A-Z of Irish Names for Children is a model of scholarship lightly worn, informed by a sense of curiosity and fun. It's the perfect book from which to choose your child's name or find out more about your own Irish name and roots.

*Focail Me I'm Irish* Flippin Leprechaun 2019-05-13 Funny Notebook for everyone over 100 lined pages of original sarcastic humor, a Journal, perfect appreciation gag gift for a coworker, joke diary for adults and teens, the office desk, gift for friends and family and a bit of humor just to make someone smile or laugh. IRELAND has long been renowned for its strange slang words and outrageous use of the English language, and for good reason too. despite having its own. In retaliation, the people on the island began using different words to disguise others in a bid to confuse any others listening. From this, many strange words and sayings were coined that are still in use today. Each journal/notebook comes with Irish slang on the front cover and has the meaning on the back cover. Our sarcastic journals are great to bring a touch of fun, but if you are looking for an excellent notebook for college, we have them too! Creativity and fun are the key elements of each of our notebook and journals collections. Take a great notebook home today or buy one for your friends, we can assure you they will love them! Forget about boring greeting cards and choose a notebook to write in: it's a way better gift for any occasion! Our notebooks and journals are designed and we offer a vast assortment of titles so you can find the one you like the most. Back to school season? It's time to get a few notebooks and journals to have a great school year! We love a little sarcasm and we invite you to check out our amazing line of funny notebooks to add a pinch of humor to your routine!
